

Mobile die set/4300-3127/AAA

Mobile die set for endsleeves 0.25-10 mm²/AWG 24-8. This is one of the interchangeable crimp die sets for the MCT frame. A wide range of crimp dies enables the user to cover all applications in just one tool frame.

- Reliable – crimping performance is consistent and accurate with a parallel action stroke.
- Easy to use – designed to give the user full visibility of the crimping process. Handles are shaped for low effort crimping with a one or two hand grip.
- Versatile – an easy-access release function allows fast and simple exchange of crimp dies. No special tools needed.
- Weight and size of the tool are optimized to make it easy to carry. Dies are kept in pairs and delivered in a modular reusable box.
- Comfortable – the entire tool frame is covered in smooth plastic for comfortable use, also for outdoor operations in all weather conditions
- Hole in handle allows attachment of safety strap.
