11 FITS TO TE COUNTERPART 1823440
Passend zu TE Gegenstück 1823440

Technical drawing of a cross-section of a multi-layer printed circuit board (PCB). The drawing shows the internal structure with alternating layers of prepreg and copper. Dimensions are indicated with arrows and values:

- Top prepreg layer: 4.3 ± 0.1
- Copper layer: 1.7 ± 0.1
- Prepreg layer: 9.3 ± 0.1
- Copper layer: 6.7 ± 0.1

Labels 20 and 22 are present on the right side of the drawing, indicating specific layers or features.

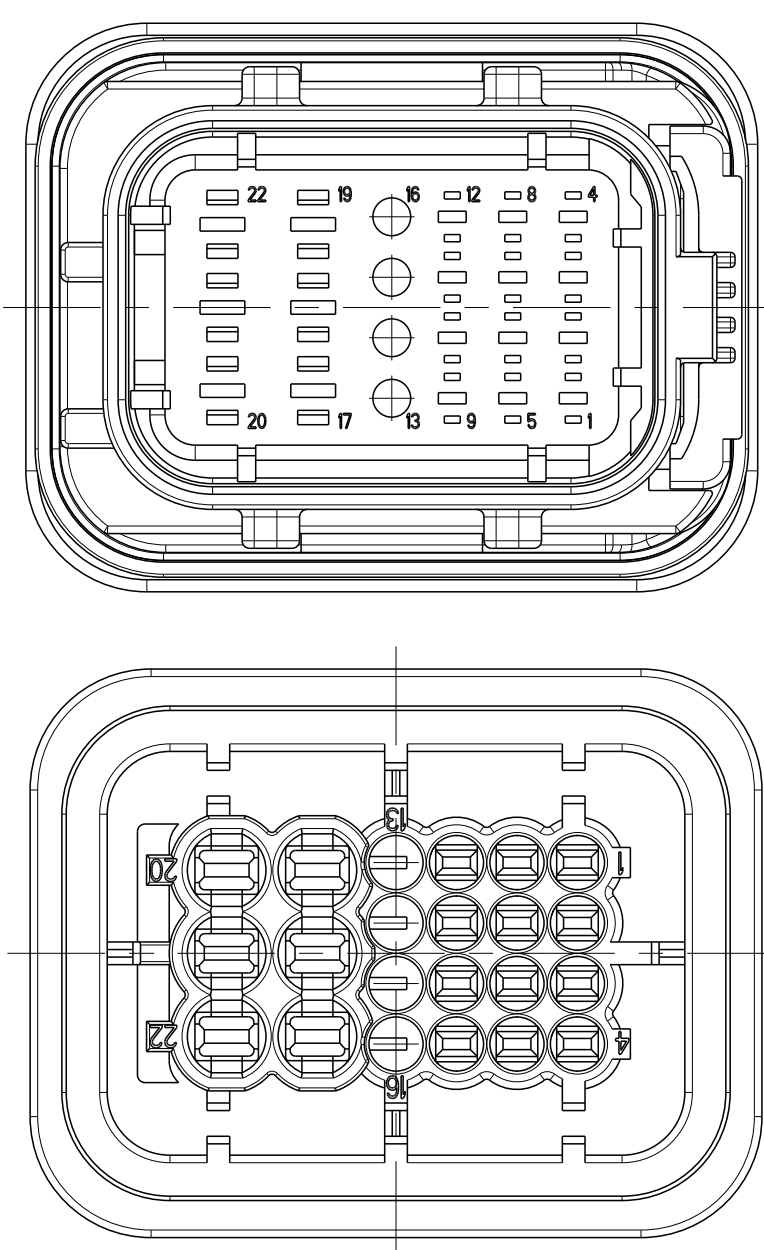

Technical drawing of the rear view of a component. The drawing shows a curved, U-shaped structure with a central rectangular area containing a series of small rectangular slots. Dimensions are indicated on the left: 18.3 ± 0.2 for the overall height and 13.4 ± 0.2 for the height of the central section. Labels 20 and 22 are present on the right side, pointing to specific features.

Technical drawing of the rear view of a component. The drawing shows a U-shaped profile with internal features. Two dimensions are indicated on the left: 8.6 ± 0.2 and 3.4 ± 0.2 . On the right side, two labels are present: 22 and 20.

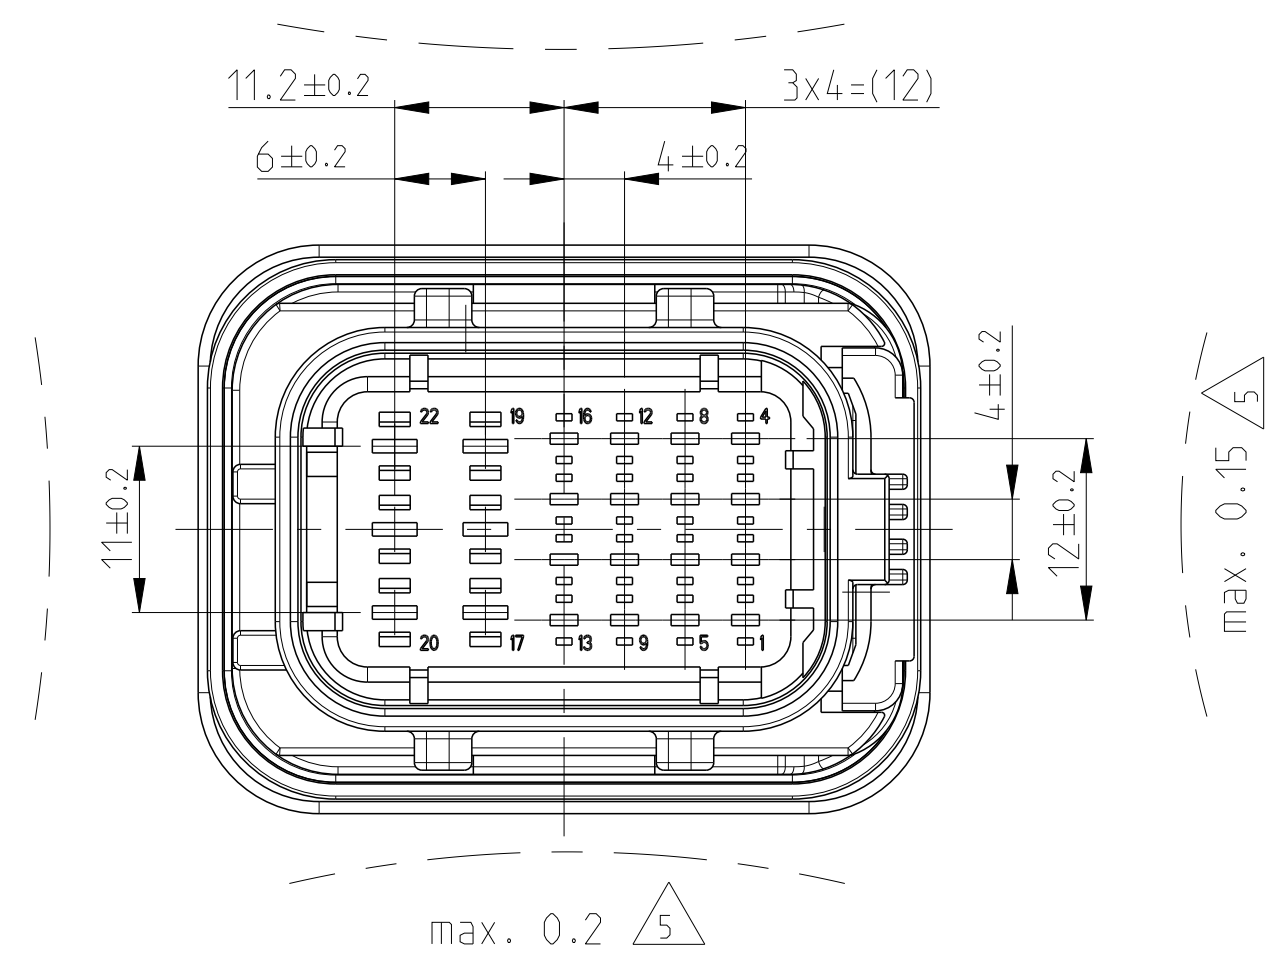

Technical drawing of a cross-section of a curved track. The drawing shows a curved structure with a central track and side sections. Dimensions are indicated with arrows and text:

- Top left dimension: 9.3 ± 0.1
- Top right dimension: 6.7 ± 0.1
- Bottom left dimension: 4.3 ± 0.1
- Bottom right dimension: 1.7 ± 0.1

Labels **z2** and **z0** are present on the right side of the drawing. A diagonal line is drawn across the entire drawing.

CAVITY 13-16 CLOSED
Kammern 13-16 verschlossen
